

On the Job Leadership Ideas

TeamSmith is the only on-the-job learning platform that saves time, trains managers to be more effective and helps them build a high-performing teams.

We deliver on-the-job professional development with a few curated, actionable tasks each week. Our pragmatic learning experience engages managers in practices that improve communication, fire up employees, clarify strategies, and more. The system features training, templates and tools that are easy to put into practice every day.

Founded by successful CEOs and designed for aspiring leaders, TeamSmith is backed by a panel of over 100 top executives and leaders. The goal is to learn the most effective leadership and management techniques over time.

TeamSmith slips into a manager's everyday workflow via email, calendar, and mobile-ready apps.

What's it take to be a top-performing leader?

56% of Top Leaders say, "Focus on the Transition."
DO > MANAGE > LEAD

“

*Train people well enough so they can leave,
treat them well enough so they don't want to.*
